Council Takes up Three Disputed Issues

★ ★ ★ ★ ★ ★

Tavern TV, Cigarette Vending Measures Read

Television in taverns, cigarette vending machines and curb bank teller ordinances, all disputed issues, took the spotlight in the City Council meeting in which several public hearings were held.

At least two of these issues, television in beer taverns and cigarette vending, have been objects of controversy in the past, as has been the curb bank teller ordinance.

Two companion ordinances involve tobacco vending. One amends the ordinance prohibiting vending of merchandise whose sale to minors is prohibited. The other grants permits under certain conditions and restrictions. The second ordinance provides that minors under 18 shall not patronize cigarette venders. It prohibits placement within 300 feet of elementary or high school and calls for rigid investigation of each applicant. Machines may be removed on three-day notice. It calls for an annual permit fee of $25 and occupation tax of $50 per unit per year. Penalty for violation, is a fine up to $100.

* * *

THE TELEVISION in taverns issue once caught operators divided. The proposed ordinance undertakes to add TV to radio, music boxes, mechanical amusements and shuffleboard in taverns.

The teller ordinance, also on third reading, is not a new topic. The council once undertook a privilege grant without amending or repealing the existing ordinance.

* * *

ANOTHER COIN operated matter, not controversial so far, provides for a $10 annual occupation tax on mechanical kiddie amusement devices.

An amendatory ordinance to bring the Board of Health ordinance in tune with the contract between city, county and the state faced no opposition on final passage. It does not change present operation.

Opposition from the City Planning Commission to the ordinance changing, to commercial A, classification of the property at the northeast corner of 13th and J, was expected.

A delegation of some 20 persons from the county WCTU chapter attended the meeting and voiced opposition to both tavern TV and cigarette vending machine ordinances. Their spokesman was Mrs. F. L. Troup, county vice president.

Butler to Washington

OMAHA (AP)—Sen. Hugh Butler, who had been back in Nebraska for a family reunion, left Omaha by plane for Washington Monday morning. He reported feeling fit after a recent kidney operation.

State Development Is Topic

The first of three discussions on crucial problems facing Nebraska was to open at the University of Nebraska Monday night with a panel discussion on the maximum use and development of Nebraska's resources.

The discussion, open to the public, was to include a number of factors—human, cultural, economic and political—in the survey of conservation problems according to Dr. Roger V. Shumate, research director for the Nebraska Legislative Council.

Another panel member, State Sen. Otto Liebers of Lincoln, said Nebraska's land during the last 75 years has been "washing away," and the land has become "marginal" as far as production is concerned.

"The thinking locally as well as nationally," he said, "is on the basis of utilizing small watersheds to prevent washing away of the land."

* * *

THE STATE'S highway problem was also expected to come up for discussion Monday.

The consideration of Nebraska problems will continue Tuesday in a second open meeting at 9 a.m. in Love Memorial Library Auditorium. The panel will include Anton H. Anderson, research associate in Agricultural Economics; Dr. Otto Hoiberg, associate professor of Sociology; Dr. Shumate and Sen. Liebers.

Sen. Liebers said the panel would discuss state taxation problems, from the local level through the State Tax Commission and the equalization boards.

"The tax assessor's job is probably the most important local job there is," he said.

"I plan to emphasize that good, competent men are needed for these jobs, and that they must be paid accordingly," the senator said.

The same men must be able to evaluate property equally, he added.

* * *

ANOTHER topic for discussion at the Tuesday meeting will be the general education problem in Nebraska. Two additional summer session clinics will be held, July 6 and 7, and July 20 and 21.

SCUFFLE AT FUNERAL HOME—Police restrain a group of Rosenberg mourners after Leroy Jakob (extreme right), a New York newspaper photographer, was struck outside the funeral home in Brooklyn where services were conducted for executed atom spies Julius and Ethel Rosenberg (AP Wirephoto)

Step-Father Views Site of Heiress Death

OMAHA (AP)—The trailer where Mrs Ardath Kuykendall, 30-year-old heiress, was found dying here last Thursday was examined by her step-father

Arizona Rancher Jack McKinley, in company with Acting Douglas County Coroner George Sullivan, viewed the trailer with the purpose of learning more of his step-daughter s death

Mrs Kuykendall's husband, Joseph, 34, is in Douglas County jail here charged with first degree murder in the fatal beating of his wife His arraignment is scheduled for 2 p m Friday

Joseph, an Arizona horseman has told authorities he does not know what happened

The Kuykendalls had come to Omaha about three weeks ago with a string of race horses and were living in the luxurious trailer

Mrs Kuykendall s mother, Mrs McKinley, told a reporter that her daughter received approximately $85,000 a year as her share of an 'heir proof" trust fund The fund reportedly contains about $26 million

McKinley said the body would be sent to Santa Fe, N M, for burial.

Rosenberg Rites Erupt Into Communist Rally

Attorney Assails U.S. Leaders As 'Murderers' of Atom Spies

NEW YORK (AP)—Funeral services for Julius and Ethel Rosenberg erupted Sunday into tearful praise of the electrocuted atom spies and angry attacks on U S government officials Defense Atty Emanuel Bloch declared in a funeral oration that the executions were 'an act of cold, deliberate murder" He said he placed "the murder of the Rosenbergs at the door of President Eisenhower, Atty. Gen Brownell and J Edgar Hoover"

Bloch praised the New York City couple—who died Friday night in the electric chair at Sing Sing Prison—for what he called their "courage and heroism"

* * *

SEMI-ORTHODOX Jewish services were held for the Rosenbergs at a Brooklyn funeral home chapel largest in the Brooklyn-Manhattan area About 500 mourners jammed the chapel and a crowd estimated by police at 10 000 milled around outside in 93-degree heat

The chapel filled with hisses and murmurs of "No" when Rabbi Abraham Cronbach said, 'Let us give them the prosecutors credit for this that they did what they thought was right"

The rabbi told his protesting audience not to be vindictive, even thought the executions broke our hearts"

IN HIS attack on government leaders, Bloch declared

"The people should know that America is living under the heel of a military dictator garbed in civilian attire. These people . . . have the souls of murderers"

Bloch was attorney for the Rosenbergs at the trial in which they were convicted of conspiring to pass U S atomic secrets to Soviet Russia For more than two years he led the court fight to have their death sentence set aside

A procession of more than 300 automobiles followed the hearses to Wellwood Cemetery on Long Island 35 miles from New York At the graveside the Rev. Glendin Partridge, a Presbyterian minister from Montreal, Canada, delivered the final eulogy.

He praised the "true strength of these people who would not put anything—even life itself—above the best they believed in"

'They died in the name of humanity, truth and justice," he said

* * *

AT TIMES the line of those waiting to get into the chapel stretched four and five abreast for four blocks The funeral committee estimated 10,000 trooped past the bodies before the funeral

Nearly 200 policemen were on duty to keep order and prevent disturbances

Occasionally spectators heckled those in line

OUR OFFICE has received many calls during the last week reporting red spider mites on evergreens The spider causes browning of the trees and is often mistaken for a disease By cutting off a twig and shaking it over a white paper you can readily see these small mites

Control of this pest can be had by spraying with a solution of 1 pound of wettable sulfur to 10 gallons of water. Three newer chemicals are also recommended They are aramite, dimite, and ovotran which can be used according to package directions.

ALL RECIPES for strawberry preserves are about the same — equal parts sugar and berries The differences are in the instructions on how to cook and can

To keep strawberries whole and plump, cook only a few berries at a time—not more than two quarts Use a large preserving kettle so berries will not be crowded Shake the pan rather than stir the berries during cooking and cooling

To keep berries bright colored, don't overcook Ten minutes rapid boiling is usually considered enough

Add acid—the juice of 1 lemon to 2 quarts berries.

To keep berries from floating in the jar, thoroughly saturate the berries with the syrup before they are put in the jar This can be done in several ways

Let them stand in the preserving kettle overnight, canning them the next day without reheating

Or, cool in preserve kettle, skim out the berries and place in sterilized jars Boil syrup to reduce its volume and pour over berries

Or, pour preserve into shallow pan, cover with glass and set in the sun for two or three days, then can

McCook Taxpayers Body Asks Crosby Talk

Special to The Journal

McCOOK — The McCook Taxpayers' League will invite Gov. Crosby to McCook to carry out his promise to go into every county in the state to explain the 1953 assessments.

A letter of invitation to the governor was to be dispatched over the week end, according to the League's officers, Herman Budig, Fred Marsh and Roy Lenwell and the League's attorney, Frank Morrison, who suggested the action.

Lenwell, who owns radio station KBRL, said he is willing to give the governor time on the air to discuss the tax situation in the McCook area.

THE LEAGUE also voted to send Morrison to the July meeting of the State Board of Equalization in Lincoln, at which the Red Willow County commissioners have also promised to present 1953 McCook valuation complaints.

The league is objecting to a 27.7 per cent increase in valuation made in the city only—and, according to the league's own survey, not in the rest of the county.

According to an opinion given the meeting by Morrison, valuation in the state of Nebraska should mean present market value. This definition, he claimed, has been supported several times by the courts.

The present valuation, based on an adjusted replacement cost, is illegal, he said, but no immediate purpose could be served by making test cases, as was proposed by some members.

Fifty Years Forward on the American Road

You don't have to pay costly-car prices for costly-car comforts. Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

Here are a few of the "Worth More" advantages you'll find in the '53 Ford:

1. A V-8 engine—powerful and smooth!
Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 13 million!

2. America's most economical Six engine!
If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker... the engine which, with optional Overdrive, won over all other cars, regardless of size or weight, in this year's Mobilgas Economy Run! And it's yours for the same kind of money that buys less modern sixes in other cars.

3. America's finest and most versatile automatic drive!
Fordomatic Drive is the "automatic" which gives you both the get-up-and-go of automatic gears and the smoothness of a fluid torque converter. If you choose Fordomatic, you will find that it makes all your driving easier . . . more relaxing.

4. Automatic gas savings!
Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely. You get full high-compression performance from every drop of gas—regular or premium.

5. America's newest and finest power steering!
Ford's Master-Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Your car gains in sure-footed roadability and you expend up to 75% less effort in driving—*and* parking.

6. Largest choice of models in the low-price field!
Ford alone gives you a choice of 18 different models . . . a SIX or V-8 . . . Fordomatic, Conventional or Overdrive . . . the widest variety of body, color and upholstery combinations. You can practically "design" your own Ford!

7. A body that's the style-setter!
Only Ford in its field gives you the advantages of a hull-tight Crestmark Body . . . the trend-maker in design and beauty. Ford's body is the longest and Ford's trunk is the largest. You enjoy far more usable space.

8. New driving conveniences!
Ford's first in its field with such "Worth More" features as easier-acting, suspended pedals that eliminate floor holes . . . foam rubber cushions over non-sag springs on front and rear seats in *all* models . . . and convenient Center-Fill Fueling.

9. An automatically controlled ride!
When you Test Drive this Ford, notice how the wide front tread (widest in the low-price field) takes tilt out of turns . . . gives you a more level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end *alone* is reduced up to 80%.

10. It's worth more when you sell it!
An impartial survey of used car prices proved that Fords return a greater proportion of their original cost than any other cars in America. It's *another* fact to add to Ford's reputation as the "Worth More" car.

But don't take our word for it. Stop in and Test Drive this Ford for yourself. We predict you'll be sold before you're in second! It was true last year and it's even truer this year: you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT...
WORTH MORE WHEN YOU SELL IT...

Another NCAA Track Meet Here in 1957? Officials Laud NU, City for Fine Job

By DICK BECKER
Journal Sports Writer

If the lavish praises being bandied about are any criterion, then Lincoln may well be the scene of the National Collegiate Track and Field Championships every fourth year for some time to come.

Almost to a man the coaches, performers and officials of the meet lauded the University of Nebraska setup.

They were jubilant over the track and the condition it was in.

They were happy over the hospitality.

They expressed delight with the way the meet was run.

And they weren't too insulting about the weather after Saturday's ideal conditions blotted out the memories of Friday's hectic two hours.

Walt Byers, executive secretary of the NCAA, said it was one of the finest run track meets he had ever attended.

Reeves Peters, secretary of the Big Seven Conference, said he had never seen a smoother performance.

The crowd total of over 16,000 for the two days was also creditable, considering the extremely hot weather.

And the performances turned in were ample reward for the fans who ventured out in the 100-degree temperatures.

THREE MEN were the subject of most of the post-meet discussions. They were, of course, Sim Iness and Parry O'Brien of Southern California's championship team, and Wes Santee of Kansas.

Coach Bill Pfeiff of Lincoln High School, who was an official for the shotput and discus, considered two points the difference between men like Iness and O'Brien and the average weightman.

Pfeiff, a track coach and holder of the state high school shotput record, listed speed and timing as the things which made the two stand out.

"Both of those boys are terrifically fast and have excellent timing," he said.

"They have this terrific amount of speed and this excellent timing, all turned loose at one instant.

"The thing I noticed more than anything was that all of the good boys in these events seemed to turn everything loose at one instant in an explosion."

There was no question but that Iness had exploded when he tossed the discus 190 feet 7 inch for a new world's record.

AND O'BRIEN, while taking a backseat to Iness this week, had an outstanding toss in the shotput of 58 feet, 7¼ inches.

Pfeiff reported that O'Brien after his first toss, said as he backed out of the ring, "Watch the next one!" That was when he proceeded to set a new meet record.

Taking men like Santee into the discussion, Pfeiff said that men like the NCAA's big three were "born with the ability."

"A runner like Santee has a good knowledge of time," he added. "They don't load all of their strength into one part of the race but run a planned race against time, rather than against the opposition."

Santee's 4:03.7 mile, second fastest ever run in the United States, was also good for a meet record.

THE COACHES, in their post-meet talks, were just about agreed that the best race of the championships was run by Richie Ferguson of Iowa. He stuck to the heels of favored Charley Capozzoli of Georgetown for seven laps in the two-mile run and then produced a finishing kick that left Capozzoli for to the rear.

Many of the coaches were impressed by the high jump takeoff installed at Memorial Stadium and many were after the formula to use in their layouts.

Fixed up by Coaches Ed Weir and Ray Frochaska and Groundskeeper Walt Renter, the composition includes asphalt, clay and cement.

It works wonders as an all-weather takeoff and stood up well under the extreme heat last week end.

Southern California takes its talent-laden squad to Ann Arbor, Mich., next for Tuesday's Big Ten-Pacific Coast Conference dual meet.

Rivich's Bat Spanks Soos; Special Show Tonight

By WALT DOBBINS
Journal Sports Editor

As Tom Neill goes, so go the Lincoln Chiefs.

That's usually pretty sound logic if you go back through the records, but young Joe Rivich could give you an argument on that score after leading Lincoln to a 9-3 victory over the visiting Sioux City Soos Sunday night.

Despite the fact that Sunday afternoon's twin bill was called off on account of rain a total of 697 cash customers showed up for the evening skirmish.

• • •

THE SAME two teams will clash Monday at 8 p.m. with Manager Ray Mueller shooting either Clyde Stevens or Art Sauer at the Chiefs while Lou Finney is expected to counter with Norm Brown.

It will be "Jackie Price Night," the nationally known entertainer being slated to put on his act a half hour before game time at 7:30 p.m.

Joe Stupak's wildness in the initial canto enabled Lincoln to get off to a 3-0 lead, Rivich smacking out a base-cleaning triple to account for the tallies.

Sioux City evened the count in its half of the fourth on two walks and Ray Johnson's inside-the-park home run that bounced past Glenn McQuillen to the right field lumber.

Our Chiefs sewed up the contest in the sixth on successive singles by Neill and McQuillen, a bingle by Rivich, a walk that forced in the red-head and an infield out. All this effort accounted for three tallies.

• • •

TWO MORE Lincoln runs seeped through in the seventh on Danny Holden's single, McQuillen's triple and a double by Rivich.

Jim Kovarik, just out of St. Louis U, hurled the ninth and was nicked for an unearned run when Fred Hancock lived on Bob Myers' boot, a walk and Neill's second single.

Holden, Caro and Bridges contributed the fielding gems.

Cornhuskers In Golf Meet

COLORADO SPRINGS (AP)—The nation's finest golfers, including two from Lincoln, matched skills Monday against the wavy greens and rolling fairways of the mountain-fringed Broadmoor course in the 56th NCAA Golf Tournament.

Two 18-hole qualifying rounds, ending Tuesday, will trim the field of 159 players to 64 for match play starting Wednesday.

The team championship, held the past four years by North Texas State College, will go to the school with the four players firing the lowest aggregate qualifying score.

Team play between East and West has already been held. The Easterners won seven to five in the best ball twosome affair. Merle Backlund, with Robert Fausett of New Mexico, tied his match, and Nebraskan Erv Peterson and Pat Symons of Trinity won theirs.

Great Finish In Trans-Miss

KANSAS CITY (AP)—Sandy-haired Joe Conrad's 2 up victory over Jimmy Vickers for the Trans-Mississippi Golf Association's 50th Championship stands a good chance of being a choice topic until at least another jubilee meet.

Conrad won the golden jubilee banner after overcoming a 6-hole Vickers' lead for the first round of the 36-home championship match.

Few, if anyone, in the gallery of about 1,500 that witnessed the match over the Kansas City Country Club course gave Conrad any sort of a chance after the opening round Sunday.

Six-down and playing poorly in the face of Vickers' steady game, Conrad won the first four holes of the afternoon round and evened the match on the tenth, then went on to win.

Nebraska Marble Champion Loses

PORTLAND, Ore. (AP)—Nebraska's entry in the National YFW marbles championship, Frank Caudello, North Platte, Neb., ran strong in his early matches, but failed to make the grade to the finals.

Caudello succeeded in ousting Defending Champion George Andrews, 13, Durham, N.C., 7-0, 7-3, and he defeated Ronald Reavely, Salt Lake City, 7-0, 7-5. Then Caudello was defeated by Frank Ryals, Oneida, N.Y., 7-3, 7-5.

Play at Hillcrest Takes Spotlight

Week-end links activity saw the spotlight on Hillcrest, where a few players made par familiar ground.

Low score there was Bill Blyth's 67, five under regulation. Other low scores were Emil Frank's 69 and Tom Dworak's 72. Just over par were Dick Spomer (74), Whitey Reed (75) and Wally Knievel (76).

At Lincoln Country Club activity was confined to twosomes and foursomes. Joe Spangler and Ed Fisher, with low net of 140, had the best card for the twosomes. They were followed by Don Shurtleff and Duncan Sowles with 143 and Flav Wright and John Dudgen with 146. Dick Spangler Jr. had top individual score with a par 72. In foursomes play, Mrs. Paul Hyland took individual low gross honors for women with a 43, while among the men Dr. M. C. Wieland's 41 was the best.

At Pioneers, Dick Thoene's 74 was low reported score. Other low cards were Art Ahlman with 76, Joe Gifford with 78 and Ben Haas and Red Morris with 81's.

Ex-Lincoln High Ace Tops Airmen

COLUMBUS — Roger Bottorff, ex-Lincoln High mound ace, made his Columbus debit a successful one with a six-hitter that gave Columbus a 4-2 win over Offutt Air Base. The win enabled Columbus to take a half game lead in the Pioneer Nite League.

Dick Thimgan led off a three run eight inning for the victors with a double. Three successive singles followed.

WL Meeting At Sioux City

A. Q. Schimmel, president of the Lincoln Baseball Club, Inc., will meet with other Western League officials at Sioux City today to discuss ways and means in which other league members can assist the Sioux City Club in adjusting problems created by the recent flooding of its ball park.

The discussions will center about the possibility of series shifts to repay the Soos for series transferred to Des Moines, Lincoln and Omaha.

There was a hint Sunday night that at least one other piece of business was to come up for discussion, but no one was talking in specific terms in advance of the conference.

Sky Sox Add To Loop Lead

By the Associated Press

The Colorado Springs Sky Sox fattened their Western League lead over Denver to 4½ games Sunday night on twin wins over Pueblo, 7-4 and 11-2.

Denver and Wichita split a doubleheader, the Indians waylaying the Bears, 8-4, in the 12-inning nightcap and the Bears taking the opener, 4-1.

Des Moines posted a 4-0 victory over the slumping Omaha Cardinals.

The Sky Sox belted 17 hits in the second game with Pueblo after defeating the Dodgers in the opener on a grand slam homer by Hal Rhyne and a solo four bagger by Clyde Perry.

Don Watkins gave up only four hits in spanking Des Moines to its second straight win over Omaha.

Mart Nearly Too Sharp

Al Mart, only Lincoln man represented at the Heart of American Pistol Tournament in Kansas City over the week end, was the right one for the job—he won the grand championship.

Mart, an outstanding midwestern marksman and ranked in the Master Class, won a total of seven trophies in Master and Overall competition. Second man in the grand championship was one of the nation's top shooters, Sgt. Francis O'Connor of the Kansas City Police Department.

It was a case of too good a job on the targets for Mart—almost. All shots must be identifiable. In the event two shots are so close together on the target that they cannot be separately identified, the shooter must take a 10-point penalty. That's what the judges ruled happened once to Mart in the .38 caliber division. After the penalty, Mart went on to edge O'Connor by nine points. One more unidentifiable shot and Mart would have come in second.

Carter Handicap Shoot Is Sunday

The Lincoln Gun Club is sponsoring the George Carter Handicap registered shoot next Sunday at its grounds on North 48th.

The shoot is named for one of Nebraska's early game wardens, an enthusiastic hunter and trapshooter who held that transhooting could be a means of conserving our wild life.

Out-of-state shooters are eligible for added money and purse but not for the George Carter trophy. Ronald Person won the trophy last year. First shooting is scheduled for 11 a.m.

Father-Son Team Clober Pigeons

A Nebraska father-son duo walked away with honors from the Colorado State Trapshoot held in Denver recently.

William F. Harder, 4549 South, fired high score in the meet and took the out-of-state trophy home with him. His score was 197 out of 200.

Not to be outdone by his sharpshooting father, Bill jr., using a power-packed .410, was runner-up in the sub-Junior Division. He hit 34 of a 100.

Yanks in Position To Set Win Mark

By The Associated Press

If the New York Yankees keep pouring it on, they'll break the 1906 Chicago Cubs' all time record of winning 116 games. Unless something cracks they should be able to take a month vacation in September and bring up the Kansas City club to finish out the schedule.

After Sunday's split with Detroit, the Yanks were playing 46-14 ball for a .767 percentage. At that same rate they'll wind up at 118-36. High for the American League is the Yanks' 110 victories in 1927.

With an 11½ game lead at this stage of the race, the American League record of a 19½ game pennant winning margin by the 1936 Yanks also is in danger.

• • •

THEY MIGHT even threaten that fabulous 26½ game lead held by Pittsburgh's 1902 champs in the National.

The Yanks took advantage of another lapse by Cleveland Sunday, dividing a double header with Detroit as the Indians lost to Washington, 5-1.

As a result, New York picked up another half game on the Tribe, now threatened from below by Chicago. New York won the first game, 6-3, for Whitey Ford on homers by Mickey Mantle, Billy Martin and Yogi Berra but lost the second, 10-3, as Walt Dropo drove in four runs with a homer and two singles.

Chicago climbed within a game of Cleveland by breaking even with Philadelphia. The White Sox came back to cop the second, 9-4, on homers by Fred Marsh, Ferris Fain and Minnie Minoso after Harry Byrd had shut them out with seven hits, 5-0, in the first game.

The St. Louis Browns broke a six-game losing streak on Bobo Holloman's two hit 2-0 win over Boston in the second game after losing the opener, 3-1, on Skinny Brown's flashy three hitter.

• • •

MILWAUKEE staged another of its comebacks to get a 6-6 tie with the New York Giants in a second game, called by darkness after eight innings. In the opener, Milwaukee suffered a 5-0 defeat when Ruben Gomez threw a two hitter.

Because Brooklyn bowed to Chicago, 3-2, on a 10th inning homer by Eddie Miksis, an ex-Dodger, the Milwaukee National League lead remained intact at 2½ games.

Only Philadelphia among the first division clubs gained on Milwaukee. St. Louis' five game winning streak went up in smoke as Pittsburgh dumped the Cardinals, 5-2, and Philadelphia split a pair with Cincinnati, winning 5-2 and losing 5-3.

Ford survived a rugged ninth inning in 102 degree heat at Yankee Stadium to go the distance in his eighth triumph after the Yanks knocked out Hal Newhouser in the fourth.

5 Firsts To Home Drivers

Capital City racers failed in win individual honors in the 16-event Lincoln Boat Club Regatta Sunday, but they did push home for five firsts.

Henry Bourret of Omaha was the top individual winner with three first places. He won the second Class A Utility Heat and both Class A Hydroplane heats.

Two of the Lincoln winners took double victories: Walt Coulter won the CENS race and the free-for-all while Dick Andrews was top man in the B utility class and one heat of the B hydroplane class.

THE OTHER winning Capital City entry was Lawrence Jensen, who won the first D Utility heat.

The only other double winners of the day were Bud Jones of Sioux City and Don Hawkins of Council Bluffs.

Tigers Sign 2 Bonus Players

DETROIT (AP)—The Detroit Tigers, floundering in last place in the American League, opened their purse strings wide over the week end as they paid $95,000 for two rookie players.

A Tiger spokesman Monday announced the signing of Albert W. Kaline, 18, of Baltimore, Md., and outfielder. The Detroit News reported he signed for a $35,000 bonus.

Kaline's signing folowed the week end deal that brought Robert Miller, a 17-year-old Berwyn, Ill., pitcher, into the Tiger fold for a reported $60,000 bonus.

Flu, Golf Siege Overcomes Texan

TOLEDO, O. (AP)—Jackie Burke of Kiamesha Lake, N. Y., with the $3,400 first prize in the 16th Inverness Invitational Golf Tournament in his pocket, decided Monday to take a couple of days' rest from the fairways and traps.

The spunky Texan, who played three days while suffering with influenza, begged off from a two-day pro-amateur date in Cleveland starting Monday.

Burke ripped a dozen strokes off par with a 72-hole score of 272 to nose out Freddie Haas of New Orleans by two strokes as the 30 invited professionals wound up their chores Sunday. All won a part of the $18,000 prize.

Two Hot All-Star Battles

CHICAGO (AP)—First base and shortstop were two hotly-contested positions for both the American and National League teams as the annual All-Star baseball poll neared the halfway point today.

The vote by fans to decide the starting lineups for the game in Cincinnati July 14 ends at midnight July 3. It began June 12.

In the American League poll, Ferris Fain of Chicago, Mickey Vernon of Washington and Eddie Robinson of Philadelphia were in a tight three-way fight for the first base spot.

FAIN WAS the leader in the latest tabulation. He had 60,280 votes to Vernon's 58,312 and Robinson's 55,729.

At shortstop, Phil Rizzuto of New York and Chico Carrasquel of Chicago were waging another close struggle, with Rizzuto leading 59,364 to 56,202.

Ted Kluszewski of Cincinnati and Gil Hodges of Brooklyn were top first base candidates for the National League team, Kluszewski holding a 61,783 to 59,406 margin over his Dodger rival.

Pee Wee Reese of Brooklyn led Granny Hamner of Philadelphia 60,882 to 57,193 for the shortstop post.

Pugs Battle Over Judges

OGDEN, Utah (AP)—Action was expected today on selection of ring officials for Wednesday's light heavyweight title bout between Champion Archie Moore and ex-Champ Joey Maxim.

Co-promoters Kenny Mayne and Al Warden said Sunday they would give managers for the two fighters until today to iron out their running argument over choice of a referee and judges. If they don't, the promoters will make the choices

The fight will be televised nationally at 8 a.m. CST over CBS with the Intermountain area blacked out.

Miss Suggs Set To Defend Title

ATLANTA (AP)—Louise Suggs, Atlanta's golfing queen, didn't even have time to bank her $1,000 winnings for her victory in the Women's Western Open before she left for Rochester, N. Y., to defend her title in the USGA open.

Miss Suggs, the nearest thing to Ben Hogan the women golfers can offer, polished off a tiring Patty Berg, 6 and 5, Saturday to win her fourth Western.

Time Out!

"Great idea having a woman driver for the opposing pitchers—get them rattled right from the start!"

3-Way NL Race On Tap

ST. LOUIS, Mo. (AP)—Fred Haney, whose Pittsburgh Pirates are low men on the National League totem pole, looks for a close pennant race between St. Louis, Brooklyn and Milwaukee down to the wire.

"Brooklyn is the solid, logical club," Haney said, "but the Braves have much better pitching than they are given credit for and the Cardinals have had a big lift from their three rookies."

The Pirate chief remarked he seldom indulged in speculation regarding other clubs.

• • •

"I HAVE troubles enough of my own," he said.

He took for granted that Stan Musial's batting slump would soon be broken.

"That's why I think the Cards have a good chance," he said. "If they can go as they have been without Musial, what will they do with him?

"When the race gets down to the stretch, Musial's big bat will be a factor."

The graying, 55-year-old Haney, who managed a tail-end St. Louis Browns club in 1939-1941 in his previous stint as a major league pilot, was philosophical about his Pirates.

• • •

"WE'VE GOT a young, hustling ball club," he said. Their mistakes are the mistakes of youth and inexperience. The beatings we've taken would have taken the starch out of older players but these kids give it the big try all the time."

He is particularly high on the O'Brien twins, former Seattle University basketball stars.

"But we've got to figure they'll soon be called for military service," he said. "The same applies to some of our other kids, like Vic Janowicz, former Ohio State football star."

Hastings Rolls to Win

HASTINGS — The Hastings American Legion baseballers won their 10th in a row against no losses as they edged Millard, 3-2, here. Hastings Pitcher Cal Johnson struck out 14 en route to the win.

LANOLIN PLUS LIQUID—patented beauty aid—is the sworn enemy of premature wrinkles, crow's-feet.

VOL. 1, NO. 3 LINCOLN, NEBR., JUNE 22, 1953 VOL. 1, NO. 3

Lanolin Plus Does Wonders For Skin

Be Satin-Smooth ALL Over

That's right! Now, with the new Lanolin Plus Body Lotion, you can be lanolin-lovely from head to toe.

This wonderful body lotion, like Lanolin Plus Liquid, is enriched with lanolin to smooth every inch of you. Callouses, and rough, grainy areas are softened and smoothed under its magic touch.

And how refreshed you feel after using Lanolin Plus Body Lotion—sweet and silky-smooth all over! And because it takes so little, spreads so easily, and is so extremely economical . . . you can use it as much as you want without feeling extravagant.

Start now to make and keep your body as beautiful and bewitchingly lovely to the touch as your face.

Today, get the big 12-ounce size of Lanolin Plus Body Lotion wherever you buy Lanolin Plus Liquid. The price? A modest 1.50, plus tax, at GOLD'S cosmetic counter.

Wrinkles Worry You?

Don't let them. With Lanolin Plus Liquid, many premature wrinkles due to dryness can be prevented. Those you already have can be reduced and made to seem much less noticeable. This marvelous new liquid, with a U.S. government patent, contains a fabulous amount of lanolin and esters and cholesterols.

These elements actually penetrate your skin while cleansing . . . your skin absorbs the nearest thing to nature's own skin lubricants. Only $1, plus tax at GOLD'S Toiletries Dept.

Lanolin Plus Liquid replenishes natural skin oils with softening, lubricating substances. Try it today; treat your face to a facial pick-up!

Works Quickly, Effectively, Inexpensively To Restore That Youthful Look!

Chemists discovered that the supply of body substances which give softness and pliability to the skin diminishes with age. Therefore, they based the formula for Lanolin Plus on these important facts, combining highly refined lanolin PLUS other beauty-benefiting ingredients.

Lanolin Plus Liquid contains a concentrated supply of esters and cholesterols, the two elements found normally in young skin but which diminish with advancing age. It's the lack of these essential oils which cause "crow's feet," wrinkles and harsh, dry skin. Lanolin Plus Liquid immediately sends a rich supply of softening, lubricating substances into the thirsty undersurface of your skin to help combat this aging, drying process. Lanolin Plus Liquid keeps your complexion soft and supple . . . no matter what your age. Try it for a facial treat . . . a perfect pick-up for dry, tired, weather-worn skin! Here's a quick, simple way to soften your skin, make it glow with new vitality and beauty.

1. Hold a hot washcloth to your face and neck for about a minute to open pores and allow tired muscles to relax.

2. Briskly massage warmed Lanolin Plus (warm bottle under hot water tap) into face and neck until skin begins to tingle.

3. After a few minutes, wipe away impurities brought to pore openings by soothing Lanolin Plus Liquid.

Lanolin Plus Liquid is simple as ABC to use! Gently massage a few drops into your skin before retiring. It works while you sleep, leaves no greasy film on your pillow!

Continued use makes dryness to excessive dryness or climatic conditions diminish or fade away completely! You'll love its economy, too! Only a few drops are necessary due to its deep-down action.

Since this lanolin-rich liquid lubricates and softens the skin, it has other beneficial uses: If the heels or insteps or toes are calloused or rough, a relaxing foot bath followed by a Lanolin Plus Liquid massage does wonders for softening and soothing the dried out areas. It's excellent also for sun-tanning and after swimming, during out of season sunny-clime vacations.

How long has it been since you have analyzed objectively what your complexion is really like? It's up to you whether your skin becomes prematurely wrinkled, or is soft and supple, with glowing, youthful radiance.

There is no season of the year, when it isn't necessary to conduct your own personal "complexion campaign." Climatic conditions—harsh wintry winds or hot, penetrating sun-rays . . . do rob the skin of its natural oils, leaving it hard and dry. Ordinary facial cleansers rob the skin of its natural oils. You must compensate for lost natural lubricants if your skin is to become softened and smooth in appearance; if you are to avoid dry skin and aging wrinkle lines.

Only Lanolin Plus Liquid replenishes these natural oils so vitally needed to nourish and protect and lubricate the skin. Remember . . . it's up to you! How you care for your skin today means the difference between a beautiful, youthful complexion, or a hard, dry, unattractive one tomorrow!

Its nominal cost is only $1, plus federal tax. Ask for LANOLIN PLUS LIQUID at GOLD'S.

If you retire feeling tense and unrelaxed, your appearance when you arise is the same. Relaxation of facial muscles begins before you go to bed . . .

THE ANSWER LADY . . .

QUESTION: Is it all right to dye the eyebrows immediately after plucking? Mrs. G. K.

ANSWER: No, indeed, Mrs. G. R.! Open pores are a portal of entry for the dye to penetrate below the skin and poison the tissues. Wait at least a week after plucking.

QUESTION: My lips are chapped and cracked all the time. Can this be due to the kind of lipstick I use? Elsie M.

ANSWER: Yes. Try using an oily lipstick.

QUESTION: When should powder be applied for make-up?

ANSWER: In make-up after a thorough cleansing, apply powder first and last . . . the first application is protective . . . the last artistic!

Beauty Secret For Hands Discovered

One of the most remarkable beauty secrets ever discovered happened years ago on the plains of Australia during sheep-shearing season. The hands of the men were dry, calloused and bruised. But almost immediately an amazing phenomenon occurred. Bruises were healed . . . their hands were soft, supple and smooth. What happened?

Lanolin, the closest actual duplication to esters and cholesterols, nature's own skin oils, is found in the fats and oils of the sheep's wool. As the men sheared the sheep lanolin was absorbed deep into the layers of the skin. Lanolin made their hands BEAUTIFUL!

Today, Lanolin Plus, containing the right amount of lanolin and combined with other ingredients for absolute effectiveness, is the only formula to hold an exclusive United States patent.

LANOLIN PLUS HAND LOTION is richly enforced with this precious substance lanolin. It's a velvety lotion that gives immediate effects, both protective and remedial. It doesn't leave the skin sticky and greasy, but restores a soothing softness and suppleness to dry, crackly skin.

You'll like the delicate refreshing scent as well as the tiny miniature ivory pump that ejects the few drops necessary for an application. A generous four-ounce bottle costs only $1, plus federal tax, at GOLD'S cosmetic counter. Keep a bottle handy at all times—and you will keep your hands BEAUTIFUL!

Dramatize And Hightlight The Unsuspected Beauty Of Your Hair

To give yourself the correct shampoo, make certain that the hair is gently massaged with the fingertips throughout the shampooing process. It's not only pleasant and relaxing, but it stimulates the sebaceous glands of the scalp and makes them more active. Rinsing must be done with great care, slowly and effectively. Most emphatically, thoroughly! The desirable method is the use of a professional spray.

Now! What kind of shampoo lotion? It mustn't contain harsh ingredients that tend to dry out the hair. It must not leave the hair with a sticky, dull film. It must leave it soft, shiny, manageable!

For some time we have known that lanolin contains the substitute for nature's own oils to help nourish and lubricate the skin and scalp. The best shampoo to choose is one that contains a generous supply of rich lanolized suds. Such a product is LANOLIN PLUS HARD WATER SHAMPOO. Here is a shampoo that lathers in the hardest water. It's gentle on the hair, and its rich, lanolized suds whisk away completely all dirt and grime so that the hair is left soft and silken with beautiful glistening highlights. Just as the shampoo cleanses, its oil pampers the hair.

It's economical, too, because it's fast-acting, with just one or two applications needed for washing. Only $1 at GOLD'S Toiletries Dept.

New Lanolin Plus Cleansing Cream Endows Dry Skin With Vital Oils

Ever hear this comment . . . "I can't use soap and water on my complexion because it's so dry?"

What milady often fails to realize is that the cream she is using for cleansing may actually be drying out her skin.

Lanolin Plus Cleansing Cream for Dry Skin offers in cream form a cleansing agent delightful in texture due to its quick melting and deep penetrating oils.

Why does Lanolin benefit your skin? Because Lanolin, a product obtained from the wool of lambs, is most similar to the natural oils of our human skin.

As we grow older the normal lubrication and elimination of the skin tends to diminish. Due to the lack of natural moisture and lubrication the skin becomes dry, coarse, dull and old.

Lanolin Plus Cleansing Cream For Dry Skin gives you the needed supplementary oils to combat those conditions in your skin.

LANOLIN PLUS CLEANSING CREAM FOR DRY SKIN . . . $1 plus federal tax at GOLD'S.

Is Your Hair In Perfect Condition?

You may spend hours in a beauty salon or at home concerning yourself with stylings, rinses, bleaches and "touch-ups." Oh, your hair may look pretty after all this care, but what's it really like deep down at the scalp? What is the condition of its health? Have harsh chemicals, sunlight and hair dryers sapped its inner strength and beauty? These things can happen, you know. And they happen at a great cost of time and money to you.

External hair care is important and wise for the final appearance of the well-groomed woman. There is no question about it. Yet, in accomplishing this external beauty, is the same amount of time and care given of its internal condition. You can tell this way: Look for split ends, hair strands that have a dull, dry look, a coiffure that remains unmanageable. If these things are apparent in your situation, your hair lacks the proper lubricants. Nature's own oil, esters and cholesterols are in need of a helpmeet. Lanolin, so closely duplicating these natural oils, provides the solution.

The newest hair conditioner available today, Lanolin Plus for the Hair, just as its name implies, is steeped with this rich supplement.

It can be used in several ways. It should be rubbed gently into the scalp and massaged into hair strands the night before a shampoo. In this way, it is an excellent aid for reviving dull, damaged hair. If dryness is not severe, brush a few drops through the hair after each shampoo working a small amount into the ends of the hair. In making the hair soft and flexible once more, it helps prevent split, broken ends and brings back a healthy, lustrous sheen. It helps keep unruly locks attractively in place A few drops brushed on daily keeps shimmering highlights in the hair always.

You'll find, too, that the men at your house will like this new, lanolin-rich lotion for the hair. It does not leave smudge on hat bands, pillows, or upholstery, but imparts a smooth, well-cared-for look.

You can purchase Lanolin Plus for the Hair for only $1, plus federal tax, at GOLD'S Toiletries. It's the sure way to keep your hair in perfect condition.

NEW YORK (AP)—The stock market rallied Monday, with railroad and oil shares in the lead, but late profit-taking reduced gains that in many instances had ranged beyond a point.

Trading picked up as the rally gained momentum, but slackened in the afternoon, when most stocks receded somewhat from their best levels of the day.

Volume was estimated at 1,100,000 shares. In a quiet market Friday, 890,000 shares traded—the smallest since Aug. 29, 1952.

Wheat Flows Into Chicago, Dropping Price

CHICAGO (AP) — Midwestern wheat started coming into the Chicago market Monday and wheat futures slumped further on the Board of Trade. Prices were down more than three cents a bushel at times.

Corn started lower and then rallied somewhat on reports the government has granted the Netherlands a million dollars and Norway $1,780,000 for purchase of U.S. corn.

Standard Oil Ups Nebraska Prices

OMAHA (AP)—The Standard Oil Co. of Indiana announced advances in its tank wagon prices for gasoline and heating oils by a half-cent a gallon in Nebraska.

L. B. Kelley, manager of the Omaha field, said the increase resulted from last week's advance of 25 cents a barrel in the cost of crude oil. He said the increase would not compensate in full for the increased crude oil cost.

The new prices apply to sales to Standard service stations and consumers of wholesale quantities. Retail prices at service stations are not set by Standard, but by individual dealers to fit market conditions.

Lincoln motorists faced an increase in the price of gasoline probably Tuesday at many stations after distributors followed the lead of Standard Oil of Indiana in raising the wholesale price of gasoline one-half cent a gallon.

Leading tank wagon and dealer wholesalers said they had raised prices Monday or would do so soon. They indicated retail dealers in local stations would follow with a raise soon.

Pig Crop Cut Put at 8 Percent

WASHINGTON (AP)—The Agriculture Department forecast a 1953 pig crop of 84,226,000 head, down 8 per cent from last year.

The total included a 50,726,000 head spring crop, down 10 per cent from last year, and an estimated 33,500,000 head expected to be produced this fall, down 5 per cent from last year's fall crop.

The spring crop produced from Dec. 1 to June 1 goes to market the following fall and winter. The fall pig crop produced from June to December will be marketed next spring and summer.

THE DECLINE in pig production began last year when farmers were facing high feed prices in relation to what they got for porkers. As a result, housewives are now paying higher pork prices.

This year's pig crop in the big commercial producing area of the corn belt was estimated at 66,426,000 head, down 4 per cent from last year. The spring crop in the corn belt was estimated at 40,926,000 down 6 per cent from a year earlier, while the fall crop was pegged to hit 25,500,000 head, about the same as last year.

The department said the higher prices this spring "have not stimulated as much interest in fall hog production as in past years."

Special to The Journal

OMAHA—The drop in the nation's pig crop forecast for this year probably will not lead to increased prices at the Omaha market.

Hart Jorgenson, executive secretary of the Omaha Livestock Foundation, expects the marketing of hogs at Omaha to be about the same this winter as during the past year.

AS A RESULT, Jorgenson said he does not expect hog prices to remain at the present high level despite the predicted national decline in production.

"It looks like hog marketing will be heavy this winter," Jorgenson commented. "Most hog raisers think they will not have as good a market this winter as at present."

The report estimated Nebraska's spring pig crop at 2,668,000 as compared with 2,989,000 last year.

Record Class Holds Reunion

FAIRBURY—Thirty-five members of the largest graduation class of Fairbury High School—the 1928 class of 128—returned to Fairbury for the class's 25th anniversary.

A highlight of the two-day festivities was a telephone call placed to the class president, Joseph Nelsen, in Montebello, Calif. The dinner program repeated much of the program of the 1928 junior-senior banquet. Guy R. Davis, Fairbury High School principal in 1928, gave the main address.

Six members of the class who now live in Lincoln attended. They were:

Mrs. Agnes H. Hicky
Mrs. Mary L. Macrow
Mrs. Madeline M. Manthey
John Nellis
Mrs. Virginia S. White
Mrs. Genevie W. Curtis
